Fellow Members,

I'd like to take a few minutes of your time today to give you an update from the Union. On Wednesday, September 30<sup>th</sup> we successfully held our first GMM since February. It was definitely strange meeting under the ever-changing COVID constraints, however, outside of being a little rusty the meeting was a success.

Nominations for the Executive and Trustees are held annually at September meeting where half of the executive roles come to an end. This year the roles are Vice President, Treasurer, Executive Liaison (Sub Units), Executive Secretary, and a three-year Trustee.

We are pleased to announce that Brenda Canduro was acclaimed to the Treasurer role, and Anna Marie Apau was acclaimed to the three-year Trustee role.

Nominations were conducted at the September 30<sup>th</sup> GMM for the Vice President, Executive Liaison (Sub Units) and Executive Secretary. We are pleased to announce that our Union will be conducting an election.

Nominations are:

- Phil Boyd and Teresa Loucks for Vice President
- Joanne Turnbull and Steven Holland for Executive Liaison (Sub Units)
- Dom Anello and Michelle Sterling for Executive Secretary

Results from this election will be announced at the regular GMM scheduled on Wednesday October 28, 2020. The dates of the election will be announced in the days to come.

Voting is one of every union member's rights. We would like to encourage you to get involved and ask questions. Best of luck to all the nominees.

Sincerely,

Adam Brightling,  
President  
CUPE Local 101

On Behalf of the Executive.
