

ATTENTION CUPE MEMBERS WORKING IN HOME AND COMMUNITY CARE SUPPORT SERVICES!

SIGN THE PETITION TO DEMAND FAIR WAGES AND WORKING CONDITIONS!

Home and community care workers are united in their efforts to negotiate a fair wage increase. Wages have fallen far behind inflation, yet the Progressive Conservative government and its Home and Community Care Support Service agencies propose to deepen this loss of real wages.

Please add your signature to CUPE's online petition and demand Premier Ford, your MPP, President of the Treasury Board Caroline Mulroney, and Ontario Health President and CEO Matthew Anderson listen to your concerns.

Your signature will be included on a material petition and presented at Queens Park with at least 500 other signatures.
